Fish 'n Ships

BAY DISCOVERY TOURS FOR FAMILY, FRIENDS AND COLLEAGUES

✂ LOOKING FOR SOMETHING DIFFERENT? ✂

David Wailes and Jan Taylor invite you aboard the marine education vessel 'RORQUAL' and enjoy an informal but informative tour of Port Phillip Bay!

- * CELEBRATE A SPECIAL OCCASION WITH WORK COLLEAGUES
- * ENRICH YOUR HOLIDAYS WITH FAMILY AND FRIENDS
- * USE US FOR A FUND RAISER

OPEN VIEWING AREAS AND STABLE PLATFORM ALLOWS YOUR WHOLE GROUP TO VIEW THE CHARACTERS YOU MIGHT ENCOUNTER. AUSTRALIAN FUR SEALS, AUSTRALASIAN DIVING GANNETS, LITTLE PENGUINS...THE LIST GOES ON.

A SOLID WORK PLATFORM AND SHALLOW DRAFT MEANS THIS VESSEL CAN ACCESS AREAS WHERE OTHER BOATS CAN'T GO - MUD ISLAND, INSIDE POPE'S EYE. THE VESSEL TAKES UP TO 39 PASSENGERS AND A FRONT LOADING BOW RAMP PROVIDES EASY ACCESS ONTO A BEACH.

WE CAN BRING THE ANIMALS TO YOU, AND YOU DON'T NEED TO GET WET! EXPERIENCED CREW CAN PROVIDE A WINDOW TO VIEW THE SMALLER ANIMALS UP CLOSE. FEEL THE SPINES OF AN ELEVEN ARM SEA STAR, OR LOOK EYE TO EYE WITH A PUFFER FISH. IT DOESN'T TAKE LONG TO REALISE THE UNIQUENESS OF OUR BAY, ITS HISTORY, AND ITS ANIMALS.

Organise your group,
book a date and time,
& together we'll have a
great day on the bay!
